BOARD OF SUPERVISORS

We support the work of the Carmichael Creek Neighborhood Association for the establishment of a Neighborhood Preservation Area with boundaries from the corner of California and Sutter Avenues, east on Sutter Avenue to its end; further east on an extension of the line of Sutter Avenue to San Juan Avenue; south to the American River; southwest along the west side of the American River to Stanley Avenue; west on Stanley Avenue to California Avenue; and north on California Avenue to Sutter Avenue. Properties fronting upon or having access to either side of Sutter and Stanley Avenues and properties fronting upon or having access to the east side of California Avenue and the west sides of San Juan Avenue and of the American River will be included in the Neighborhood Preservation Area.

We live in this area and we want to see it protected.

We are in favor of preserving the present zoning in this area and following the Carmichael Community Plan as adopted in 1975. We support the preservation of open space, the maintenance of a safe level of traffic and a neighborhood voice in the future of Carmichael. I have received the Carmichael Creek Neighborhood Association Formation Statement.
